## MILLIES TICKETS ONLINE

Purchase your tickets online in advance, or at the door the day of the show.

The Millies tend to sell out, so we recommend using our website's easy, secure payment feature.

Tickets purchased online are paperless. Simply come to the door the day of the show, tell the person with the list your name and email, and YOU'RE IN!

**PLEASE NOTE!** Our checkout system asks for your address details for billing purposes only. **TICKETS WILL NOT BE SENT TO YOU.**

## AT THE DOOR

Tickets may or may not be available at the door 30 minutes before each show, depending on sellouts. If you want to be sure to get in, buy online in advance!
